JEWS WANT THE WORLD to believe that they have a monopoly on "Holocaust Remembrances." But Ukraine's President Viktor Yushchenko has thrown the Jews a curve by dedicating 2008 as "Ukrainian Holocaust Remembrance Year" **Here**.

This "holocaust remembrance" recalls the murder by forced starvation of *6 million* Ukrainian Christians by the Jewish Bolsheviks. The Ukrainians call this holocaust "Holodomor" which means "Famine-Genocide." Of course the Zionist Jews deny it. Just like they deny all of their numerous crimes against humanity.

Historian Valentyn Moroz of the *Institute for Historical Review* wrote:

— "The Ukrainian village had long been recognized as the bastion of national traditions. The Bolsheviks sought to strike a fatal blow at the village structure because it was the lifespring of the vital national spirit." — **Here**.

Indeed, Bolshevik Jews were the chief architects of the Ukrainian *forced-famine* which eliminated Ukrainian clergy and 6 million Ukrainian Orthodox Christians!

THE BOLSHEVIK JEWS WHO PLOTTED THE UKRAINIAN HOLOCAUST

1) Lazar Kaganovich: Stalin's political figurehead of the Central Committee. In 1928, Kaganovich led the implementation in the Ukraine of Stalin's first *Five-Year Plan*.

~ The aim of Stalin's first *Five-Year Plan* in the Ukraine was to destroy family farms through starvation making the peasants "landless" and thereby introducing "collectivization" by which the Ukrainian peasants were forced to become employees of the state. This forced-famine reached its crises point in 1932.

2) Genrikh Yagoda: Founder of the NKVD (Soviet Secret Police). Assisted in the first *Five-Year Plan* of starving Ukrainian peasants.

3) Nikolai Yezhov: Appointed by Yagoda as Head of the NKVD. Assisted in the first *Five-Year Plan* of starving Ukrainian peasants. (Yezhov took on a "Russian" name like most Bolshevik Jews. His wife was an active Jew).

These Bolshevik Jews seized livestock, crops, grain, and farm implements from the Ukrainian peasants. Any Ukrainian citizen who resisted them was shot. Desperate Ukrainian clergy and peasants ate anything to survive: bugs, grass, and leather shoes.

See: "Jewish Journalist Exposes Jewish Murderers" **Here**

PRESIDENT YUSHCHENKO PRESSURES JEWS TO RECOGNIZE THE UKRAINIAN HOLOCAUST!

"Fresh from the controversy over shifting positions on the Armenian genocide, the Jews could be caught up in another controversy over Ukrainian-genocide recognition," reports the Baltimore Times **Here**.

Yushchenko has pressed the genocide issue since taking office in 2005. In 2007 more than two dozen countries recognized the *Holodomor* as genocide. Yet the Jews of the Ukraine and around the world refuse to recognize it!

Ukraine's chief Rabbi Yakov Dov Bleich said:

— "We can't equate the Holocaust of the Jews in Germany with the *Holodomor* in Ukraine. Ukrainian Jewish leaders do not support recognizing the *Holodomor* as genocide." — *Baltimore Jewish Times*, Nov 14 2007.

WE MUST PUT THE ZIONIST JEWS IN THEIR PLACE!

I GREW UP AS A JEW. Jews want a monopoly on the world's "sympathy." But the Jews do not deserve the world's sympathy as the Ukrainian Christian clergy and peasants deserve it. For they were *innocent victims* of the forced famine.

JEWS HAVE *NEVER* been the innocent victims of any "holocaust." I have proved this by my many articles such as **HERE** backed up with historical facts!

Excellent site Brother Kapner, you have Chutzpa!

In fact I'm afraid that your site is so thorough and compelling that it will be one of the first to be unplugged by the very group that is chomping at the bit to enact "hate speech" codes to be applicable to the net.

It's inevitable, it will happen within a few years as most of us Goy are ignorant sheep.

Cliff
June 23, 2008 @ 5:06 pm

I think that many Goyim are are more aware than we realise but unable to do much of anything with the Jewish clampdown in America.

The same thing happened in the Ukraine when the commies came for the grain—what could they do? Only hide it, but that was not so effective.

Looking back, and if they were still alive today I am sure they would pulled out gun and put a slug through the first Jewish commie to come to his front door if somebody had shown him a picture of him and the wife chowing down on broasted baby.

NOBODY wants to be a cannibal and that is what is coming to America. At least we got a few more guns for the sheeple to use if they can.

PS/ A great movie to which mirrors this subject is "High Plains Drifter" with Clint Eastwood. A must see if you feel like wanting to protect your family.

What the Zionist Jews did to the Ukrainian Christians is what they are planning to do to the American Christians – and it's all in play right before our eyes!

Animal ID is not just for identifying and caring for diseased and dying animals in our food chain, but to know exactly where the food chain is, so that it can be deliberately and without prejudice slaughtered in the implementation of forced starvation upon the American population at large - just as was done in the Ukraine.

For those Christians who blindly embrace Zionist Jews and Zionist Israel as "God's chosen people" who can do no wrong and never be held accountable, the Zionists have in store a special reward for such expressed loyalty - the ultimate in betrayal of your trust and faith, as they have no qualms in eliminating anyone not of their "own kind".

Human sacrifice is always on the front burner of the Zionist Jews' agendas, even as they had no reservations in sacrificing their "own kind" via Nazi Germany (as well as Russia, Ukraine, Poland, etc) in leading up to, and during, the European Holocaust of World War II.

Satan rewards his "chosen people" very well indeed …

All of the above gets secular "Jews" very uncomfortable in America as their guilt over living in safety as religious Jews died in mass so this group of elitist Jews which many of were communist and tied to finance could turn the holocaust into a Jewish state and a holocaust industry.

One can strongly disagree with the blanket term of "zionist" as God is thee Zionist who desired the 13 tribes have Israel have that promised land so named. One can also note that the Philistine people of Gaza are noted as sisters to Judah and Israel after Christ's return.

The correct term is "converts" as the people behind this are not Judean, but of that Khazar Ashkenazi line out of Asia.

There is nothing wrong with believing in God's plan of a homeland for all 13 Israelite tribes which is our Zion, but the converts have bastardized this to exclude God, His Way, His plan and His Son. The converts practice a web of religion in false messiah, mysticism, mammon and a few other initiations of the sacred geometry.

These converts have slaughtered Jews in Europe and Asia. Perhaps like Islam if the Muslims could understand that Islamocommunists are slaughtering them in Iraq and Afghanistan that these converts hiding under Judaism as Jews are the ones butchering the Jews in the Israeli state and making them look horrid at times to the world, then Judeans would understand that they have a problem in a cancer in their body manipulating their thoughts, herding them and murdering them behind a new Warsaw wall on the east bank.

So that, respectfully Brother Nathanael, would be a wonderful real term one could home Mr. Rense and yourself would consider using in "converts" as Zion is older than the cartel which hijacked it for their own state to them and not a state to God.

Thank you for your time and God bless.

Cliff above correctly notes that many Americans are aware of the "Jewish clampdown" in America, but feel unable to do anything about it.

Of course, organized Jewry will try to destroy your livelihood if come out against them publicly. So, fight like they do - under the table - with money.

There isn't an American within the sound of my voice that isn't sending several hundred dollars per month to Jewish cartels for various entertainments. Turn it off.

If a cartel has been exposed as coming to kill you, your family and your country - then why are you sending them the resources to do it? It sounds unbelievable, but it IS possible to live without TV and sports entertainment, etc.

With the money you don't send to the nationkilling Jews, you can help those around you who deserve help - including and especially young people who are utterly unprepared for this assault against our civilization.

It's so simple: Just turn off the money!

Dave, Don't worry.

Brother Nathanael's site is powered by Jesus Christ Almighty, and he's not going anywhere.

I've always had a little problem with that six million Jews died in the holocaust, however I guess that's a good figure to keep up. They've been sucking it dry for over sixty years, and of course their pain is much more painful then a simple Goy's.

Here are some good articles if anyone would care to read them.

The Auschwitz 'Gas Chamber' Illusion: http://www.rense.com/general81/chamber.htm

Ilya Grigoryevich Ehrenburg The man who invented the six million:
http://www.rense.com/general75/ehr.htm

The crowning achievement of Ehrenburg's career came on December 22, 1944, when this hate-crazed fiend became the first person to mention the kabbalistic figure of Six Million alleged Jewish victims of National Socialism, and then proceeded to introduce that figure into Soviet propaganda.

Stalin needed weapons to conquer Europe and spread the socialist murder of the NWO.

He had nothing but grain to pay for it, so the stuff had to be exported, and mainly to the States. To his superiors in N.Y., in fact, who demanded payments as this they understand best.

Unfortunately few million Ukrainians died in the process, just as million humans die in Iraq. We watched the murder then, as we watch it now.

Today they invented the term collateral damage. What did they call it then?

Was Stalin an antisemite or was he just using the Jews ?

An interesting question which had caused me some confusion.

The Zionists would have us believe he was always an antisemite, some would say he was always working for the Jews, some that he was just using them and later purged all the Jews from the Communist Party.

The answer to this question sheds some light on the situation:

Who was the first world leader to officially recognise the State of Israel ?

A: Joseph Stalin

You can verify this for yourself from mainstream sources.

If the German's just wanted to "kill the Jews", why would they bother shaving the prisoners' heads?

Why bother tattooing them?

The answer is that their heads were shaved and treated with zyklonB (an insecticide) in order to treat them for lice!

Typhus is transmitted by lice. I too had my head shaved in Paris Island 25 years ago where they also sprayed a similar compound on my head afterwards for lice control.

Iv'e been to Germany 5 times, they are a very efficient bunch of people. If they actually wanted to kill these Jews there wouldn't be one left standing with their tattoos on their arms in this country!

It was a brutal eviction (the latest of approximately 60 over the last 1700 years), but not an attempt at killing.

Once upon a time, when I was rather naive politically, I wrote to several Ukrainian Jewish organisations asking how the famine affected the Jews of the Ukraine.

Now I know why I never heard back from a single one of them.

And there is, in fact, no evidence that the famine had any effect on Ukrainian Jews whatsoever. How could that happen?

Well, first of all I think that this article has a vary general understanding of the situation in Soviet Ukraine.

First of all the death toll of Ukrainians from the 32-33 "Holodomor" was around 7-10 million.

This article also puts the whole fault of the genocide on Jews.

I dont agree with this completely (and I don't hate people only by their race), but the fact is that the congress that organized "Holodomor" was 69 percent Jewish, other members were mostly Russians, but there were also Poles, Germans, Tatars and other nationalities from the Soviet Union, even a small number of Ukrainian traitors were involved in this horrific project.

Anyways fact is fact but this article is more of a generalization.

Good Day

I don't believe in vague generalizations but, there's no denying that Kaganovich and Yogoda are responsible for their aversion to the human race.

Likewise the media would rather focus on German crimes and remind us that the greatest generation won a forgotten war.

The other genocide that has been suppressed since World War 2 is the genocide of the Serbs in the independent state of Croatia at that time.

The official version is that the Croatian Catholic Clerical Fascist Ustasha party wanted to form a pure Catholic state.

They had a policy of converting one third of the Orthodox Serbian population to Roman Catholicism, (who were living in the former Military Frontier lands of the Austrian empire, who fled the Ottoman Turks and defended Europe against the Turks for the Habsburgs for centuries), deporting one third of the Serbs, and murdering one third of them.

The Croatian Ustasha campaign against the Serbs was more brutal than anything Hitler allegedly did to the Jews, in fact, reports say that Hitler was shocked at the brualtality of the Croats against the Serbs.

Jasenovac was the largest death camp in the Balkans. The Croats and their priests led the camps and murdered the Serbs by slashing their throats, either in the camps or in their homes, and forced their own family members to catch the blood.

Why has this been suppressed all this time? Hitler and the Vatican officially recognized Croatia as an independent state then. Obviously, the Catholic Ustasha were not following the gospel of Jesus Christ.

What gospel were they following? It seems to me they were following the Talmud. And if it's true that Jews lead all movements, then it's shocking to think that Jews were also Ustasha members.

The only person who has written about this is Barry Chamish. From him I learned that Ante Pavelic, the Croatian Catholic Ustasha leader, was married to a Viennese Jewess. The notorious Butcher of the Serbians in the Ustasha party was Slavko Kvaternik. Apparently, he was a Jew.

The Pope at that time received a gift from an Ustasha leader that bore many pounds of the eyes of Serbian children. What kind of Pope would accept something like that? A Christian Pope, or a Talmudic or a Satanic Pope?

One thing is clear to me that the Vatican, the Rothschilds, and the Talmud are all together.

The genocide of the Serbs has been hidden because the Talmudic controlled Popes want it that way, to keep up sympathy for the humane way that Hitler killed Jews, allegedly showers and gas chambers, compared to being bled to death like "untermenschen" subhuman cattle.

Adding more to the topic of suppressed genocides and holocausts, this really did happen, but it seems everyone, the White Nationalists, the Jewish and Catholic establishments continue to suppress this.

Sadly it was all repeated again in the 1990's and continuing war against the Serbian people.

The Ukrainians got murdered by Jews. Russians and Germans fought each other. Polish and Germans fought each other. The Serbs have been murdered by Croats, Catholics, Jews, Zionists, Muslims, Albanians, Germans, and Americans.

It's truly surprising that there are any Serbs alive in their country anymore.

And they have been poisoned with depleted uranium from the bombs that came not only from Madeleine Albright and the Jews who ordered the bombing, but from white, gentile, Americans of European descent.

These pilots who were happy to drop the bombs, and white European mercenaries who were happy to shoot at Serbian farmers living in the once Military Frontere, where Nikola Tesla himself was born.

I know, God loves us all. Life on earth is sacred. Sure. Life on earth is Hell. When innocent murder and genocide victims go to Heaven, does God ask them how it felt to be murdered? Maybe we're part of sick mad scientist on the earth experiment.

I guess we all find out when we die. So we should just keep giving thanks to Almighty God for the miracle of living on earth so we can be murdered. Praise the Lord. Sure.

As a Jew and vehement anti-Zionist I express full sorrow for the Ukrainian people of which I myself am a Ukrainian.

Born in 1972 on Ukrainian soil in the town of L'viv. My parents and my grandparents were fighters against Nazism and ZIONISM.

When I see pictures of Ukrainian men, women, and children who perished at the evil hands of Bolsheviks claiming to have been Jewish, it makes me bloody sick. and I vomit each time I see zionists around here.

If I one day took over Israel and toppled Zionism and established a Socialist democratic form of Government where all Jews and Palestinians can live in peace, REST ASSURED that both HOLODOMOR and the HOLOCAUST would both equally be recognized as the most horrible forms of genocide committed in the 20th Century.

Ukrainian brothers and sisters, you have my word that one day Israel will repent and pay for its ignorance of Holodomor. I think in 20-30 years, Israel is going to be voted out of existance anyway since the Palestinian population is doubling at an alarming rate.

I may be Jewish, but I despise what my people did to humanity. Ukrainians are great people.

I prefer them over my own fellow Jews as I am to Israel - a STALIN to them, and a fighter for Democratic rights for all peoples in UKRAINE.

Let's not forget what the parasites did in the Danzig Corridor, Dresden, Berlin.

All because Hitler booted the Talmudic Jew Bankers out of his country.

Many don't realize that they have been banished from HUNDREDS of nations for the same inherent evil and ruining nations. Unfortunately, the U.S. of Israel's "leaders" could give a damn about their country and people.

Further, Putin apparently is following the same course. So be VERY objective when the Jew media begins telling you how "evil" Russia is. They have pulled the very same garbage on numerous nations who's leaders have had the courage to say ENOUGH!

Which is something we won't see here. Don't for ONE moment think that "our boys" won't fire on fellow citizens. They have and will again, with NO problem.

The Jewish people are GOD'S chosen people, regardless what anybody thinks.

Zionists are very bad people. Zionists are not just Jews, it's a political movement anybody of any race can be a Zionist. Rense always runs Jews down, like I said anybody can become a Zionist.

Alex Jones is a Zionist. He talks about the international Bankers and globalists destroying the world's economy. He never talks about the corrupt Zionists, the Bronfman family who made their fortune during prohibition. Sam BRONFMAN, worked for Meyer Lansky — Murder Incorporated.

Jesus talked about the fake Zionist Jews in the Book of Revelation, chapter 2 verse 9. He said "There are those who call themselves Jews, but are not Jews. They [the Zionists] are actually of the synagogue of Satan". Read Ezekiel chapters 38, 39, and 40, it talks about Russia and most but not all of the Arab countries marching toward Israel.

GOD, will let them go far south. When they get 55 miles north of Jerusalem they will be utterly destroyed, such devastation will take place that it will take 7 months to bury the dead. This is the first wave of the battle of Armageddon.

Then China, North Korea, the kings of the east will attempt to put an end to the Arab-Jew fighting but in the process kill one third of humanity. Nuclear exchange. That is the second wave of Armegeddon. Zechariah 14-2. Then every nation left will march against Israel, but that is when JESUS CHRIST OUR LORD AND SAVIOR RETURNS. Saves not only Israel but the entire world.

Just food for thought, Henry Ford wrote a book in 1920 called The International Jew. In it he stated there was a worldwide conspiracy by Jews to take over the world. Hitler read it and loved it. He later said it inspired Him to write " Mien Kaupt."

Even in the US we were never encouraged to discuss the truth of what happened in Ukraine. US Government schools don't teach this history in the hopes of eradicating it.

I understand what you're saying, but apparently there is an evil in this world that is just overpowering.

His father served in the French volunteer ambulance corps or Foreign Service in WWI.

Back to mom's side, my grandfather spent all of WWI in a political prisoner camp in southern France. He hit the U.S., converted to Christianity instantly after Ellis Island.

At a young age, he taught me the tricks. Their formulas have not changed, just the generations and the widening scope of influence duping U.S. moderates, their new electoral target.

I was born during WWII in a labor camp in Hamburg, Germany.

My parents almost starved to death in 1932 and lost half of their families. I know these stores first hand. There was plenty of blood on everyone's hands in those countries.

They had been fighting amoungst each other for centuries.

My parents didn't teach me to be anti-Jews or anti-anyone. They taught me to judge individuals by their character.

There are lots of good people and there are people who are capable of cruelty. Hate causes all sorts of inhumanity to one another.

To blame Jews for all crimes in the world is morally indefensible.

I am astounded at the history I was NOT taught in American schools…

I never remembered anything about millions of Russian Christians dying at the hands of the Jews….or the millions of Russians who died fighting the Germans in WW2!!

The way history was portrayed was that America swooped in and won the WW2??

From researching WW2, Russia basically won the whole damn thing. It's why the war should be called the Russian-German War….

I just finished reading BLOODY ZION by Edward Hendrie, it was quite an eyeopener.

I think the Zionist Communist are very real and controlling the US Government, CIA/Mossad seems to be one and the same. I think their plans for a One World Government under the control of Zionist Communist owned U.N. is coming about.

I think inflation will spark an engineered famine for Americans that will bring down America which is their plan.

It's too bad TeeVee Evangelists mislead Christians into believing that Israel and Jews are anything other than Satanic in nature.

Hendrie writes that the ZC give these evangelists lear jets and real estate.

I hope America wakes up and throws all these dual-Israeli citizens out of office, people like Feinstein and Schumer, McCain (gets a million$ from Jew lobby), they are anti-Americans.

The world need no more discussion, regarding the Zionist Jews, they are all criminals, directly or indirectly, and must face international law, like others.

They were behind 911, the assassination of Anna Lindt, Swedish foreign minister, and Olof Palme swedish prime minister. The truth will come out soon with the evidence.

It's taken me many years to see it, but I can see it today. Jews are pure evil, and their intentions are pure evil. Rid the earth of this cancer asap, starting in Washington and Hollywood.

I pray that the good people of America will take back their country, very soon before the Jews have sucked it completly dry. Stand up America, stand up now.

I just found out the following new hidden information point about the Holodomor that may not be generally known: that a great amount of wheat was sold and shipped to the USA from Russia in 1932 and 1933, and possibly this wheat came from the Ukraine.

B
October 21, 2013 @ 7:03 pm

Does anyone know if it was necessary for the US President FDR to recognize the USSR for the first time for the USA in 1933, as a requirement so that the USA would be permitted to import Ukraine Holodomor grain from the USSR in 1932 and 1933 to the USA, during this time of the middle of the USA Dust Bowl drought years ?

6. Exports

The Soviet regime dumped 1.7 million tons of grain on the Western markets at the height of the Famine. It exported nearly a quarter of a ton of grain for every Ukrainian who starved to death.

Please tell me if you have ever heard of this possibility, or if you think that it is possible that an actual hidden cause for the very fast speed of the Holodomor was the probable very high price of grain on the open market in 1932 and 1933, which was in the middle of the US very great dust bowl drought years.

Russia's USSR would receive greatly needed cash payments quickly for this grain, and many USSR individuals would receive possible commissions for their services in the fast delivery of the exported grain.

I believe that this grain money exchange theory would really be the best explanation for the very fast speed of the Holodomor grain removal from the Ukraine, as there was the continual threat that the great USA Dust Bowl drought would end quickly, and then the very high grain prices would drop to the bottom quickly.

Could you recommend anyone interested in researching this possibility, or anyone who would know about this possibility?

It would be interesting to find out if Jews outside of the USSR were also involved in this money exchange theory, for explaining the cause of the very fast speed of the Holodomor.

I am a bit tired of the word "Zionists."

Why don't you just say the word JEW? There were NO Zionists in the Ukraine's HOLODOMOR or South Africa's Rothschild concentration camps, while they stole the nations wealth.

That started the "Rhodes" scholar b.s. indoctrination that most Australian politicians obtain, Like the Total TRAITOR "BOB HAWKE" — an honorary citizen of ISRAHELL.

Man I wouldn't want to be a JEW. In time, you BASTARDS and your Shabez Goi helpers are going to PAY BIG TIME!

There is also all the stuff that went on before Stalin took over.

It is a disgrace that people like me would never know about all this evil unless they went looking for it.

Yet the other stuff is pushed in our faces every single day, especially by the BBC.

Stalin's Willing Executioners: Jews as a Hostile Elite in the USSR: The Jewish Century; Yuri Slezkine, Princeton, NJ. Reviewed by Kevin MacDonald

The Germans in Russia became an elite without having an aggressively hostile attitude toward the people and culture they administered and dominated economically. The Revolution was the substitution of the Germans by the Jews. The difference between the Jews and the Germans was that the Jews had a longstanding visceral antipathy, out of past historical grievances, both real and imagined, toward the people and culture they came to administer.

When Jews achieved power in Russia (Putin: 85% of the early Soviets was Jewish) , it was as a hostile elite with a deep sense of historic grievance. As a result, they became willing executioners of both the people and cultures they came to rule, including the Germans.

The Jews had an irreconcilable hatred of Russia and everything Russian. Jews disliked the Christian religion of the vast majority of Russians becauseof the antagonistic relationship between Judaism and Christianity over the ages; Jews distrusted the peasants, after the numerous anti-Jewish pogroms, especially after 1880; and Jews blamed the tsar for not doing enough to keep the peasants in check and for imposing quotas on Jewish advancement.

The mass murder of peasants and nationalists was combined with the systematic exclusion of the previously existing non-Jewish middle class, which would have no future.

About the shortcomings of the Germans [or] French, everybody could freely say the worst things; but if somebody dared to speak in just and moderate terms about some undeniable weakness of the Jewish character, he was immediately branded as a barbarian and religious persecutor by nearly all of the newspapers." Such attitudes were prominent among anti-Jewish writers and activists.

A culture of critique which fundamentally aimed at de-legitimizing the older American culture. And when people don't cooperate in becoming a new species, there's always murder.

Slezkine describes Walter Benjamin, an icon of the Frankfurt School and darling of the current crop of postmodern intellectuals, "with glasses on his nose, autumn in his soul and vicarious murder in his heart", a comment that illustrates the fine line between murder and cultural criticism, especially when engaged in by ethnic outsiders.

Indeed, on another occasion, Benjamin stated, "Hatred and [the] spirit of sacrifice…are nourished by the image of enslaved ancestors rather than that of liberated grandchildren."

Although Slezkine downplays this aspect of Jewish motivation, Jews' lachrymose perceptions of their history—their images of enslaved ancestors—were potent motivators of the hatred unleashed by the upheavals of the twentieth century.

The vast overrepresentation of Jews in the radical left in Europe and America.

Lazar Kaganovich, the most prolific Jewish mass murderer of the Stalinist era,… Lev Kopelev, a Soviet writer who witnessed and rationalized the Ukrainian famine as "historical necessity". He shed no tears for the Ukrainian and Russian peasants and nationalists who were murdered in the name of international socialism.

By World War II he attempted to rally the Russians to do battle with the Germans. Russian patriotism had suddenly become useful—much as, I would argue, harnessing the patriotism and high regard for military service among Americans has been useful for Jewish neoconservatives eager to rearrange the politics of the Middle East in the interests of Israel.

Vitaly Rubin, a prominent philosopher and an ethnic Jew, who recounted his career at a top Moscow school in the 1930s where over half the students were Jewish. They had achieved elite status.

Just prior to World War II, as Russians started replacing Jews among the political elite and Nazism emerged as an officially anti-Jewish ideology, overt Jewish identity reemerged. Following World War II, Israel began exerting its gravitational pull on Jews, much to the chagrin of a suspicious Stalin.

The visit of Golda Meir in 1948 and the outpouring of Jewish support for Zionism that it aroused was a watershed event for Soviet Jewry. Stalin reacted to it by initiating a campaign against public Jews and Yiddish culture.

It is interesting in this regard that the leading Soviet spokesmen on anti-Semitism were both ethnic Jews with non-Jewish sounding names, Emilian Yaroslavsky (Gubelman) and Yuri Larin (Lurie). Both refer to Jews in the third person, as if they themselves were not Jews. But when Larin tried to explain the embarrassing fact that Jews were "preeminent, overabundant, dominant, and so on" among the elite in the Soviet Union, he mentioned the "unusually strong sense of solidarity and a predisposition toward mutual help and support" —ethnic networking by any other name.

Obviously, "mutual help and support" require that Jews recognize each other as Jews. Jewish identity may not have been much discussed, but it operated nonetheless, even if subconsciously, in the rarefied circles at the top of Soviet.

An example not presented by Slezkine is recounted in a report of 1950 to the central committee on Jewish activities at an aircraft production facility: In a number of extremely important departments of the Central Aero-Hydrodynamic Institute there are workers due to be substituted for political reasons. They gather around themselves people of the same nationality, impose the habit of praising one another (while making others erroneously believe that they are indispensable), and force their protégés through to high posts.

Indeed, there is no other way to explain the extraordinary percentages of Jews throughout elite institutions, which became apparent when the purges began in the late 1940s (see below).

High IQ and achievement motivation can only go so far, and cannot explain why, for example, in the late 1940s Jews made up 80% of the Soviet Academy of Science Institute of Literature (Pushkin House), 42% of the directors of Moscow theaters, over half of Soviet circus directors, or eight of the top ten directors of the Bolshoi Theater.

In the case of Pushkin House, the opponents of the dominant clique stated that it had been forged "by long-lasting relationships of families and friends, mutual protection, homogeneous (Jewish) national composition, and anti-patriotic (anti-Russian) tendencies."

The reality is that Jewish identity always becomes more salient when Jews feel threatened or feel that their interests as Jews are at stake, but Jewish identity becomes submerged when Jewish interests coincide with other interests and identities.

Among present-day Jewish neoconservatives, who argue that the United States has a deep interest in democratizing the Middle East.

The confluence of their interests as Jews in promoting the policies of the Israeli right wing and their construction of American interests allows them to submerge or even deny the relevance of their Jewish identity while posing as American patriots.

But if Israeli and American policy began to diverge significantly, Jewish interests would almost certainly control their attitudes and behaviour.

Indeed, since neoconservative Zionism of the Likud Party variety is well known for promoting a confrontation between the U.S. and the entire Muslim world, their policy recommendations best fit a pattern of loyalty to their ethnic group, not to America.

Jewish identity and the primacy of Jewish interests over Communist interests were commonplace among individuals who were ethnically Jewish Communists. Jewish spokesmen visited New York proclaiming that "the Jewish people—'ethnic' or religious, Communist, Zionist, or traditionalist—were one family".

The only difference in 1928/1932 Ukrainian Holocaust is that the Komissars then were speaking Yiddish & today the speak Hebrew!

Plus the Ukrainian goyim is as stupid today as it was then!

We need to thank Mossad for 9/11.

It woke me up to the treachery of organized Jewry. I became interested in the holocaust and was shocked to find that it is largely a hoax. That was around 2005.

As a consequence, I lost my job. I was fired in a way that was designed to cause maximum inconvenience to myself and my family.

I was in Saudi Arabia at the time and the Saudi government had been forced by terrorist attacks in 2003 to submit to the Americans - and of course the Israelis.

In 2005 the Israeli parliament passed a law that decreed the global persecution of anyone who has discovered that the holocaust was a hoax. As a result of this law, the British Foreign Office had an agreement with the Israelis to hound holocaust realists.

In my case, I and my family were semi-covertly persecuted until 2012. This persecution began in 2006 and an MI6 agent explained it to me. I was repeatedly kicked out of jobs for no reason, and my Chinese wife was tricked twice into taking our daughter to China.

The second time she was denied a visa to return to the UK. I was forced to blackmail MI6 to get a visa for her.

I used the poisoning of former British Foreign Secretary Robin Cook, and the Jeff Gannon/Johnny Gosch scandal, which involved Tony Blair. I posted the stories of the internet and she immediately got the visa and was able to return to the UK after almost three years in China.

Jews are a very serious problem for us all. They are indefatigable troublemakers. It seems to be part of their religion.
